The screenshot shows the Healthtech website interface. At the top, there is a search bar with the text "Search for companies, investors, people, lists & innovations". The main header features the "Healthtech Database by dealroom.co" logo. A navigation menu on the left includes links for Home, Dashboard, Curated content, Startups & Scaleups, Corporates, Jobs, Investors, Funding rounds, Exits, New startups, Investment heatmap, Themes, Matching tool, Blog, and Reports. The main content area has a large banner titled "Explore the Health & Biotech ecosystem" with the subtitle "The world's most comprehensive Health & Biotech ecosystem database". Two large statistics are displayed: "51,197 STARTUPS" and "47,048 ROUNDS". Below the banner, there are three cards: "Add your organization" (with a "Create an account" button), "Becoming a partner" (with a "Contact us" button), and "Where the data comes from" (with a "See more" button). The footer includes "POWERED BY INKEF Capital" and navigation links for CONTACT, FAQ, and PRIVACY. The bottom right corner shows "Lead initiators" and "Co-initiators".

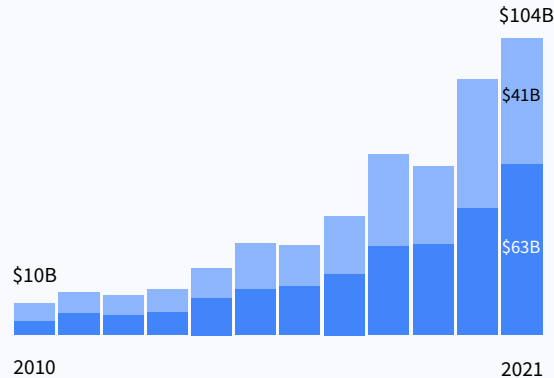

What happened in Healthtech & Biotech in 2021.

2021 was a record year for VC investment in healthtech & biotech.

Globally, venture capital investment in healthtech and biotech startups has smashed previous records with \$63B and \$41B raised globally by startups respectively.

Venture capital investment

Biotech Healthtech

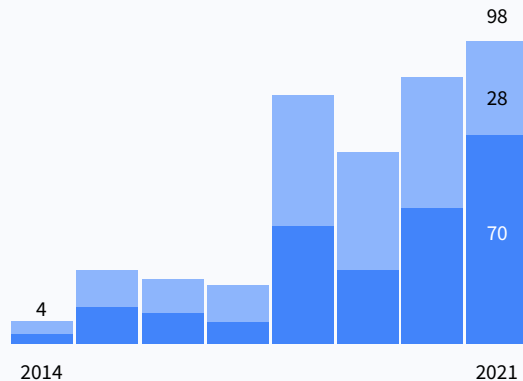

Record number of new unicorns announced in 2021.

70 new healthtech and 28 biotech unicorns have been created in 2021 alone. In total, 202 healthtech and 192 biotech companies have crossed the \$1 billion milestone.

New unicorns and \$1B+ exits by year

Biotech Healthtech

Combined enterprise value of healthtech & biotech startups founded since 1990 is now \$4 trillion.

Healthtech companies globally have reached a combined value of \$1.7T, a 4.5x increase since 2017. Biotech companies are valued at an additional \$2T, a 4.1x increase since 2017.

The screenshot displays the Healthtech database interface, which is a comprehensive platform for discovering healthtech startups. The interface is organized into several key sections:

- Navigation and Search:** At the top, there is a search bar for companies, investors, people, lists, and innovations. The user is logged in as 'Made by' with a profile icon.
- View Options:** Users can toggle between 'LANDSCAPE VIEW' (the active view) and 'LIST VIEW'.
- Category Grids:** The main content area is divided into several category-based grids, each showing a collection of startup logos and their combined funding amounts:
 - Continuous vital monitoring:** Combined funding € 283M. Includes startups like Withings, Humii, Liva Healthcare, Aktia, Comitech, Bambi Medical, eDevice, HumaniCare, Nectarine Health, Current Health, Biovation, and Coala Life.
 - Femtech:** Combined funding € 175M. Includes Woom Fertility, SteadySense, Grace Health, Peppy, Syrona Health, Mimeno, Coroflo, Inne, Fertility Focus, Clue App, Elvie, Ava, and Natural Cycles.
 - Home test:** Combined funding € 161M. Includes Atlas biomed gr, 1Drop Diagn, Selfdiagnostics, Better2Know, SkinVision, Vatic health, Bloom Diagnosti, and Binx Health.
 - Dental monitoring:** Combined funding € 50M. Includes Dental Monitori.
 - Muscle activity monitoring:** Combined funding € 62M. Includes FeetMe, Ssense, Atlantic Therap, Walk With Path, SENS innovation, Elsa Science, and GyroGear.
 - Diabetes: Glucose level monitoring:** Combined funding € 357M. Includes Ascensia Diabet, Diabeloop, MySugr, CeQur, Quanta Dialysis, Indigo Diabetes, ViCentra, xbird, and Inreda Diabetic.
 - Neurological and mental health:** Combined funding € 137M. Includes Ours, Dremm, Flow Neuroscien, Onera, Signifier Medic, NightBalance, and Maand.
 - Digestive tracker:** Combined funding € 21M.
 - Monitoring of patients:** Combined funding € 3M. Includes Cureity and Careco.
 - Telemedicine, AI doctor booking:** Combined funding € 1.9B. Includes Kryo, Doctolib, and DocPlanner.
